Box 1561, Dublin, OH 43017

## October 2020

**When:** 7 p.m., Oct. 21

**Where:** Oakstone Academy  
900 Club Dr., Westerville

**Speakers:** John Roberts

**Topics:** Cause I liked it.

## October presentation

We all have things in our collection. They don't necessarily fit our field or theme. Instead they caught our eye and we had to pick it up. I'll share a dozen examples from my collection. - **John**

## Meeting details

We're going to try to make it as safe as possible, but be mindful, the disease is still out there. Today (Oct. 15) Ohio set a record for new cases - 2,178. So far, the virus has killed 5,038 Ohioans.

The building has a constant supply of fresh air, with outside vents.

Location: Oakstone gym, a newer pre-engineered metal building west of the main building's entrance.

Directions: Drive down the entrance road until you get to the front of the main building, and turn right.

Seating: This is a gym with bleacher seating, so bring your own cushion or lawn chair.

Snacks: BYO. No drinks or snacks provided

Masks: Required in Ohio

## Newsletter editor needed

Mindful of our age and health, my wife and I are limiting contact outside the family and will not be attending club functions until next year. Our hope right now is just to make it through to the vaccine without falling ill.

Because of that, CONA needs someone to take over putting out the newsletter and scheduling speakers.

If you're interested, please contact Spence. I'd be happy to answer any questions and facilitate the transition. - **Gerry** ([gtebben@gmail.com](mailto:gtebben@gmail.com))

Send November lots to Steve Barnett - [sbarnet5@columbus.rr.com](mailto:sbarnet5@columbus.rr.com) - by Nov. 9
